# HISTORY OF THE SCHOOL

## CHRISTIAN MISSIONARY BILINGUAL SCHOOL

Christian Missionary Bilingual School was founded in the year 1997. It started as a Sunday School with three children at the mission house in Madina and in August 1997 moved to its present location with a total population of 36 children in a wooden structure which was nicknamed "Noah's Ark". The school is situated at Ogbojo along the ARS – American House stretch. Christian Missionary Bilingual School is known for its academic excellence and its desire to inculcate the fear of God into all learners.

From 1997 that the school was established, it has presented seventeen batches of students to write the Basic Education Certificate Examination with excellent results.

In and around Ogbojo, Christian Missionary Bilingual School is regarded as most progressing school with defined goals for its learners. Thus, providing God - fearing children who distinguish themselves in the sub-region by speaking French and demonstrate a high level of understanding of the modern technological world.

Today, Christian Missionary Bilingual School has transformed what used to be called Noah's Ark into a very beautiful classroom blocks painted in the beautiful mango and ash colors of the school uniforms; The school has since 1997 committed teaching and non teaching staff in whose care the pupils receive tuition and counselling.

On November 24th 2007, the school competed very well in an educational funfair games organized by "Junior Graphic" a renowned newspaper in Ghana and placed second. On the 26th September, 2016, the school enrolled its learners on **OASIS Mathematics and Science**

**Clinic**; a program done in schools to facilitate the teaching and learning of the two paramount but frightening subjects.

On the 9th of June 2023, Christian Missionary Bilingual School competed in an inter schools Maths and Science Quiz and emerged winners of the competition and was awarded a trophy which rests on the Headmaster's table as symbol reward for hardwork.
